MODEL	IMAGE	DESCRIPTION
LBKB-CA353		Industrial keyboard in Spanish for desktop with 83 keys (includes function keys, without numeric keypad), in 304 stainless steel with optical trackball, USB interface, NEMA4X IP65 protection resistant to dust, water and vandalism
LBKBCA352		Industrial keyboard for desk in Spanish with 66 keys, finished in 304 stainless steel, with touchpad, USB interface, NEMA4X protection, IP65. It is resistant to water, dust and vandalism.
LBKB35020		Industrial keyboard with Touch Pad. 104 keys (includes numeric keypad) Surface mounting on the back. Finished in stainless steel, USB interface, NEMA4X IP65. Dimensions: 385mm x 180mm
LBKB35021		Industrial keyboard with Track Ball. 104 keys (includes numeric keypad) Surface mounting on the back. Finished in stainless steel, USB interface, NEMA4X IP65. Dimensions: 385mm x 180mm
LBKB-CA351		Industrial keyboard for desk with 66 keyboard and TrackBall, finished in stainless steel, USB interface, waterproof, dust and vandalism
LBKB35005K		Industrial keyboard in Spanish with 106 keys (includes ñ key, function keys and numeric keypad), surface mount, 304 stainless steel, optical trackball, USB interface, IP65 NEMA 4X protection, resistant to dust, water and vandalism.
LBKD-37100P-USB-BLK		Industrial keyboard in Spanish with 1U 19 "rack-mountable keyboard drawer handle, 106 keys, easy-to-operate touchpad, USB interface, black metal housing, complies with the industry standard EIA-310C, built with high-strength steel Plug & play connection.

MODEL	IMAGE	DESCRIPTION
LBKB35015		Keyboard 304 stainless steel, 83 keys, with integrated trackball and numeric keypad. USB interface. It measures 420mm x 125mm.Protection IP65, NEMA4X.
LBMKB35703		Industrial Keyboard in Spanish (Function key and trackball), stainless steel material, USB interface, dimensions of 300 x 104 mm (front panel), NEMA 4X / IP65 protection.
LBKB35205		Industrial keyboard in Spanish with 86 keys (includes ñ key and function keys, does not include numeric keypad), for surface mounting on the back, finished in 304 stainless steel, optical trackball.
LBKB35005		Industrial keyboard in Spanish with 83 keys (includes ñ key and function keys), surface mount, 304 stainless steel, optical trackball (diameter: 38mm), USB interface, NEMA4X IP65 NEMA 4X protection, resistant to dust, water and vandalism.
LBKB35006		Industrial keyboard in Spanish with 83 keys (includes function keys), finished in stainless steel, integrated touchpad, USB interface, laser-engraved letters, Spanish language (includes ñ key) NEM protection
LBMKB35705BL		Mini stainless steel keyboard, black color, with 68 keys, integrated trackball. For mounting on the back. USB interface. It is resistant to dust, water and vandalism. Protection IP65, NEMA4X.
LBMKB35705		Industrial Keyboard in Spanish with trackball, stainless steel material, USB interface, dimensions of 293 x 87 mm (front panel), NEMA 4X / IP65 protection.
LBKB35001T-P		Industrial keyboard in Spanish with 66 keys, finished in 304 stainless steel with touchpad, USB interface, NEMA4X IP65 protection resistant to water, dust and vandalism. Assembly ne Panel. Dimensions of 392 mm x 110 mm and weight of 1.75 Kg

MODEL	IMAGE	DESCRIPTION
LBKB35001BL		Industrial keyboard in Spanish with 66 keys, includes key'ñ', finished in 304 stainless steel black with TrackBall (diameter 38mm), USB interface, NEMA4X IP65 protection resistant to water, dust and vandalism
LBKB35001T		Industrial keyboard in Spanish with 66 keys, finished in 304 stainless steel with touchpad, USB interface, NEMA4X IP65 protection resistant to water, dust and vandalism. Dimensions of 392 mm x 110 mm and weight of 1.75 Kg
LBKB35003		Industrial keyboard in Spanish with 66 keys, finished in 304 stainless steel with TrackBall (diameter: 25mm), USB interface, NEMA 4X / IP65 protection, resistant to water, dust and vandalism. Dimensions: 330mm x 100mm.
LBKB35001		Industrial keyboard in Spanish with 66 keys, finished in 304 stainless steel with TrackBall (diameter: 25mm), USB interface, NEMA 4X / IP65 protection, resistant to water, dust and vandalism. Dimensions: 330mm x 100mm.
LBKB35007		Industrial keyboard in Spanish with 66 keys, finished in 304 stainless steel with optical trackball, USB interface, protection NEMA4X IP65 resistant to water, dust and vandalism
LBKB35010		Keyboard 304 stainless steel, 66 keys, with integrated trackball. USB interface. For panel mounting. Measures 400mm x 124mm. Dustproof, waterproof, vandal resistant. Protection IP65, NEMA4X.
LBKB35003-FN		Industrial keyboard in Spanish with function keys on numeric keys, 3 buttons for mouse, finished in 304 stainless steel with TrackBall, USB interface, protection NEMA 4X / IP65, waterproof, dust and vandalism. Dimensions: 330mmx100mm

SILICONE KEYBOARD

Silicone Keyboard whitout Trackball-Touchpad

MODEL	IMAGE	DESCRIPTION
LBSK35317		2.4G wireless solar keyboard. White rigid silicon material. Works in rooms with ambient light. Communication: USB2.0 receiver. 105 Keys Dimensions: 380x150x14mm. Protection level: IP65
LBSK35301		Silicon keyboard in Spanish with 102 keys and 2 mouse buttons (includes ñ key, function keys and numeric keypad), USB interface, IP68 protection, water resistant
LBSK35305		Industrial keyboard, medical grade, 105 keys, USB connection, measures 440x140
LBSK35312		Rigid silicone washable and antibacterial keyboard. 100 Keys, Spanish. IP68 protection. USB 2.0 communication With keyboard on / off button. Dimensions: 380 (L) x130 (A) x10 (H) mm.
